Pro Max

Scratch Resistant

Advanced mixed rigid polycarbonate (PC) material provides solid texture. With superior 3H patent anti-scratch paint that enhances the protection.

Watermark Resistant

Textured inner to avoid the presence of watermark.

Invisible Cleanliness

Clear design made with high quality TPU material to ensure HD clarity and non-yellow durability that shows the original elegance of your phone.

Raised Edges

Raised edges help prevent your phone screen and camera from rubbing against flat surfaces and getting scratched.
